F. O. B. Dowagiac - No packing charge - 10% Discount if cash accompanies order.

WHY YOU SHOULD PLANT STRAWBERRIES THIS YEAR

First. To cut down on living expenses—raise more of your own food.

Second. To provide healthy employment for yourself and family.

Third. To provide extra spending money for your family. Strawberries are a profitable cash crop and many extra dollars can be made from even a small city lot. Make it a family enterprise, raise your own food and be independent.
